

Over the years, The College Settlement and Kuhn Day Camps have employed people from a wide range of backgrounds, cultures and places. The names and stories of these people are contained in the footprints they leave behind, but these memories can eventually weather away with time.

Now, however, these names can be embedded more permanently in our Alumni Walkway. This brick walkway has been established to remember and memorialize the names—and celebrate the stories—of those who have given of themselves to The College Settlement and Kuhn Day Camps.

On September 23, 2005, as part of the CSC and KDC Reunion weekend, The College Settlement and Kuhn Day Camps Alumni Association dedicated the Alumni Walkway in honor and/or in memory of those full-time and seasonal staff members who have contributed to the mission of the camps.

The walk spans the distance from the residential camp's play court to Davies Hall (the dining hall). Consisting of approximately 1400 bricks, they will be inscribed with the names of contributors who have served the camp—and anyone else interested in helping us improve the camp.

As a result of a generous donation from the Horsham Rotary, a majority of all money received from this project will be returned to the camp through the Alumni Association, whose hope it is to help camp upgrade the Health Center.

Help camp by purchasing a permanent display of your commitment to our Vision, our Mission, and the children we've help by the hundreds every summer for decades. A personalized, engraved brick is yours for just \$50.00. Remember, besides putting your own name on the walk, it's also a great way to remember a friend you met here.

To reserve a 6" x 9" brick for yourself or a loved one and ensure that your brick will be ready for the 2010 Alumni Weekend on October 1, return this form by September 10 with a check or money order payable to: **The College Settlement Camp Alumni Association.** Your payment is tax-deductible.
