We've made it easy to find out more about College Settlement

Go to our website.

www.collegesettlement.org is where you will be able to find out more about camp and the specifics of our programs. Plus, the application to attend summer camp is online, with a quick and easy link to begin the application process.

Call us.

The Office is staffed by a number of people with long experiences with camp, who are happy to answer your questions and help you fill out the application. If you have a question, give us a call! The office is staffed Monday through Friday, from 8:30 AM to 5:00 PM. Call us at 215-572-7974.

Attend an Open House.

College Settlement holds Open Houses, where you can find out more in person about how camp operates, take a tour of the camp, and for those children interested in Overnight Camp, see the bunks where children live. Come see the camp for yourself. There will be time to ask questions and even fun activities for your children. We love to show off our camp!

College Settlement Camps could be the most rewarding experience your child has all year!

Experience a variety of new activities.

Hiking, fishing, swimming, sports, art. Every day at College Settlement is filled with new, interesting and fun activities. Our experienced camp staff and counselors plan each day so that all children have a variety of experiences during their camp stay. Some activities are educational, some are challenging. And all are loads of fun!

Learn new skills.

College Settlement's staff is there to make it easy for campers to try new activities. Whether your child learns to play rugby for the first time, learns to swim in either of the camps' swimming pools, or catches a fish for the first time in Friendship Lake, a College Settlement experience means kids try a variety of activities they may never be exposed to anywhere else in their lives.

Make friends with people from around the City. And around the World.

College Settlement draws campers from around the City, so children have the opportunity to become friends with others from cultures different than their own. Plus, College Settlement hires staff members from throughout the world, giving your child a truly unique cultural experience.

Feel safe with well-trained camp staff.

With a highly-supervised ratio of campers to staff, College Settlement makes every camper feel welcome. Your child will feel relaxed and safe in an environment geared toward instilling positive social values.

We've been operating summer camps for children since 1922.

That's the year that we acquired this property that is still the site of our camp in Horsham. With over 90 years of running camp programs, we're pretty good at it!

Putting out the welcome mat since 1892.

In the beginning, College Settlement provided social, cultural, and educational programs to immigrants at its location in South Philadelphia. The organization's Philadelphia location is long closed, but its heritage as a welcoming place for all lives on in its summer camp programs.

Experience the beauty of a natural environment.

College Settlement is over 230 acres of open space. With streams, a lake, forest and meadows, the Camps give your child the opportunity to delight in the natural world. It's an extraordinary piece of property tucked into modern development, carefully preserved by the Camp. And best of all, since it is within 15 miles of Center City Philadelphia, it's easy to get there! We even have a city pickup location.

Develop creative talents.

Whether it's arts 'n crafts or performing in a talent show, College Settlement gives children the ability to express their creative talents.

Succeed in new challenges.

There's nothing more rewarding than succeeding in a new challenge, and College Settlement offers your children a host of opportunities to grow. We will teach your children so much, from a first lap across the pool, to a first ride on a bike, to a successful turn on the climbing tower. Your child has the chance to come away from College Settlement with the pride of accomplishing challenging adventures.

A few days that can turn into a lifetime.

Many of our campers return year after year, and continue on as Counselors in Training and then staff members. We even have families whose three generations have come to camp. College Settlement has been around for years, and nothing gives us more pleasure than to see one of our campers develop a life-long relationship with College Settlement.

Fostering personal growth through unique outdoor experiences.

OVERNIGHT CAMP Ages 8 to 12

A little independence is a great learning experience.

College Settlement holds 5-day and 12-day overnight camp sessions.

Perhaps your child wants to “try out” being away from home in a 5-day session, or perhaps he or she is convinced that being away for 12 days is a piece of cake. It’s your choice. We have sessions in two lengths to meet your needs.

Campers live as part of the College Settlement community.

Dinner, evening activities, camp fires, evening snack under the stars, bedtime. Then the day starts again, with tidying the cabin and getting ready for breakfast. Your child will get into a whole new rhythm of living, playing and experiencing a host of activities with their cabin group. And the day is carefully supervised by counselors who live in the cabins with the campers, so your child is fully supervised at all times.

This all comes with pricing that makes camp affordable for everyone.

College Settlement bases its pricing on your family’s status in the Federal Free and Reduced Lunch program, so that pricing is tailored toward ability to pay. And if families need more help in paying for the camp experience, camp scholarships are available as well!

**A beautiful wilderness setting,
within a quick bus ride from Philadelphia.**

Busing provided from convenient locations throughout Philadelphia.

You may drop off and pick up your child every day if that is convenient for you. But if that isn’t feasible, College Settlement runs buses from/to convenient locations in Philadelphia. You can request busing during the application process; bus transportation is provided from select locations in Philadelphia.

Two 4-week day camp sessions that run Monday through Friday.

Because demand is high, we can only offer campers the opportunity to attend one of the day camp sessions. It’s four weeks of action-packed fun and adventure!

Unforgettable experiences. Every Day.

Your child will swim each day in the day camp’s beautiful pool; we eagerly await the opportunity to teach non-swimmers! The rest of the day is filled with a variety of fun activities such as bike riding, challenge course, sports, arts and crafts, and special occasions like Pirate Day. Don’t be surprised when your child comes home every day with stories of fun activities they’ve done for the first time.

**Generous donors mean
affordable pricing for you.**

We only charge a fraction of what it costs us to offer a camping experience to your child. And we tier our pricing based on the Federal Free and Reduced Lunch program, so pricing is tailored to a family’s ability to pay. And if the price for camp is still out of reach, the camp offers scholarships for families who have additional need.

Ages 13 and 14

TEEN ADVENTURE

5-day and 12-day Teen Adventure overnight camp sessions.

A more challenging adventure program for 13 and 14 year olds.

These sessions give your teen the opportunity to experience the outdoors with a whole set of activities specifically geared toward this age group. It's a world of outdoor activities, from biking, hiking, boating, and climbing, and there are also specially-planned activities off the College Settlement camp property for this age group.

12-day sessions include 5 days at our wilderness outpost in the Poconos.

While there, campers have a true outdoors experience where they help cook meals, camp out, hike through unspoiled wilderness, and live in a truly gorgeous natural setting. This is a tent camping experience that includes a white-water rafting trip.

Additional Financial Support

Scholarships are available and based on need to all campers. In addition to our already discounted fees, we offer camp scholarships to any family requiring additional financial assistance on their balance. Please call the office to apply early, however, as scholarship funds are limited.

Schools like yours keep us busy in the Fall and Spring too...

We operate our highly-successful Outdoor School program for school groups in the Fall and Spring. Our trained staff lead Environmental and Team-building programs that vary in length from one to three days. Many kids say it's the most memorable experience of their school year. Feel free to pass our information along to your school. We would love the opportunity to host your school's class trip!

For School Trip information: programs@collegesettlement.org

...and we host other groups on the weekends.

Church groups, Boy Scouts, and other groups love the opportunity to rent our camp for their functions. If you are part of a group who is looking for a facility to hold your event, please check us out – just call the camp office.
